

RAPID RESPONSE SERVICES

Allegations of sexual abuse, violence and professional misconduct demand a timely and appropriate legal response. The Burns White Rapid Response Team serves as the front line of defense and support in protecting your organization, facility or business in police or regulatory investigations. Our attorneys are onsite within 24 to 48 hours, helping to analyze the situation, and offering the professional legal oversight needed to work effectively with authorities while safeguarding your resources, to the extent permitted by law and by legal professional privilege.

Our Rapid Response Team can arrive on site in the critical hours immediately following an accident or incident.

ADVANCE PLANNING SERVICES

Developing a sound legal response is a critical part of any crisis management plan. Burns White attorneys work with clients across a variety of industries, and understand the potential legal emergencies that can arise in each. We help organizations develop crisis mitigation plans that outline a process for stabilizing and containing crises in the early stages, and mitigate potential liability.

ABOUT BURNS WHITE

From its founding in 1987 with five original members, to 160 attorneys in nine offices across six states today, Burns White has stayed true to its original philosophy of partnering with our clients to insure maximum return on their investments. Our firm offers a distinct alternative to traditional legal services—bringing a proactive, progressive, and personal approach to representing our clients in an ever-changing legal environment. This enables our teams to create innovative solutions, while maintaining the highest level of representation and efficiency with sensitivity to business costs.
